

## Product Information

### CT #861

### Economy Grade PVC Foam Tape

861 is a medium 3/16" thick PVC foam tape (medium 11 pound density) with an acrylic adhesive and paper release liner. It provides an excellent combination of conformability and strength and performs well in tough duty applications where a tape must flex to fit and seal. It is also available in 1/16" thick (#860).

#### Application:

- Excellent combination of flexibility and conformability with strength and wear resistance for tough duty applications
- Used to cushion against heavier loads
- Can be cleanly die cut
- Absorbs shocks, cushions, deadens sound and eliminates excess vibration
